Subject: Request for Information - Lake Superior Basin Cumulative Effects Assessment

Dear Mr. Hope:

I represent WaterLegacy, a Minnesota non-profit organization formed to protect Minnesota's water resources and the communities that rely on them.

With this email, we are requesting a copy of a document sent to EPA Administrator Gina McCarthy entitled "Joint Tribal Request for Lake Superior Basin Cumulative Effects Assessment." The document probably bears a May 2014 date, but it may have been received by the EPA somewhat later than this written date, due to the mechanics of collecting signatures.

Please provide the "Joint Tribal Request" letter to WaterLegacy in electronic form.

In calling EPA Headquarters to inquire about receiving a copy of this correspondence, I was advised that it was likely that this letter would not have been routed to the Administrator, but to some other staff person. We would be interested in knowing to whom the correspondence has been routed and whether the letter has also been provided to the Administrator.

Please feel free to contact me by phone if you have any questions.

Sincerely yours,

Paula Maccabee, Esq.
